How the payment system works?

The coach will ask you to fill out a booking form and a card payment form these must be filled out in full before the start of the session, may be worth arriving 5 minutes early. If you are uncomfortable in leaving your card details with staff, please ring me before you attend the class on 01925 555859. We do not accept cash or cheques on the class as payments.

If you wish to carry on with the sessions I will take out the following [Wednesday](#) after your first session minus your first session the full amount for the rest of the term. You do not have to say anything I will assume you wish to carry on if I have not heard from you.

If you do not wish to join onto our classes please text me on 07904311552 by the following [Tuesday](#) with your child's name and class time, and I will just take payment of £6 for the class you attended. I will then destroy your details.

At the end of each term, we will send you a text about the following term. Please be aware we work on an OPT OUT situation. So you would need to text back with child's name and class if you do not wish to return after the initial text has been sent out
