2022

### Why Superstars Residential Camp?

A Superstars Residential Camp is much more than an extended version of our popular day camp, it has been designed by our team of experienced staff who have lived and breathed overnight camps to bring all that knowledge to Superstars.

Our overnight camp is for ages 7-14 and can further help your child's development through the safe and fun environment that our coaches create to aid character building and maximise every camper's experience to make lasting friendships and memories. This is done through our 5 camp values.

Make

### What's An American Style Camp?

Superstars are proud to have partnered with Granite YMCA of America, who are the leading providers of day and overnight camps across the state of New Hampshire, focusing on youth development, healthy living and social responsibility.

Through our partnership, we are able to share practices as well as coaches to give our camps an authentic American feel.

# The Venue

Our residential camp for Summer 2022 will be at Culcheth High School, located in Warrington at the centre of all our camps, only a 20 minute drive from Manchester. Superstars are expanding our long standing, established Holiday Camps at this venue to add our first summer of week long overnight camps.

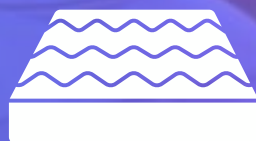

Our facility use includes the indoor sports hall, dinning area and the school playing fields, which is where our traditional bell tents will be set up and used for the overnight accommodation.

The camping experience is a 'back to basics' one, which enables our coaches to deliver our 5 camp values through a week, unplugged from their day to day home comforts. However we do supply a comfy mattress for all campers, to ensure they are rested for the activity packed days of camp!
